THE GREATER WATERTOWN AREA

PERFORMANCE VENUE

The cornerstone of Trinity Episcopal Church was laid in 1889. The building is constructed in English cathedral style and offers one of the finest acoustical environments for classical and light-classical music in Northern New York. Finely appointed details including hand-carved marble and wood, mosaic floors, hand-painted murals, and Whitefriars stained-glass windows create a wonderful backdrop to further enhance the concertgoer's enjoyment. Trinity greatly values its musical heritage, and accordingly maintains a fine collection of instruments including several grand pianos (by Knabe, Kimball, and Steinway), a 4-manual, 60-rank Skinner/Hill, Norman & Beard pipe organ, a set of 9 tower bells cast by Meneely Bell Company in Troy, N.Y., installed in 1899, a 3-octave set of Malmark handbells, and a 5-octave set of Malmark Choirchimes®.

AREA DINING & LODGING

The greater Watertown area offers a large selection of restaurants and hotels. Many concertgoers from outside the local area attend TCS performances. For a listing of area restaurants and hotels, please visit our website at trinityconcerts.org.
